## www.nevefleetwood.co.uk

This guide gives you an indication of when species are generally available. The seasonality of fish varies around the UK and is affected by changing temperatures. We suggest being flexible as there are always alternatives. Speak to our team for assistance.

Abundant & best value, in season & should be utilised

Should be available, check market influences before purchasing

Out of season, rarely available & may not be value

SPECIES	AVAILABLE AS	CERTIFICATION AVAILABLE		Vinte			pring			imme			utun		FISHING ZONE /
